Learners are required to sit for their initial examination after completing their first academic year of enrollment. Afterward, you may participate in subsequent examinations within the remaining four-year registration period. Normally, public examinations in a year will be held in April / May and October / November tentatively. Learners admitted to Intermediate courses must ensure that for the purpose of obtaining a certificate in Intermediate course, a two-year gap is essential from the year of passing the SSC examination. If a candidate seeking admission again within five years of his/her admission is deemed to be cancelled for both SSC / Intermediate.
- 1.15 Credit Accumulation:** You can choose to appear in any one or more subjects in any examination and earn credits which will be accumulated till all five subjects required for certification are successfully completed within the period of 5 years of registration.
- 1.16 Transfer of Credit:** You can avail of the facility of Transfer of Credit (TOC) to a maximum of two subjects passed from other Boards of Secondary Education/ Board of Intermediate Education, recognized by COBSE, provided those subjects are also available in Open Schools scheme of studies. Lighting the Path: Thirumala's Journey with TOSS

M. Thirumala, an inspiring woman from Bonthupally village in Karimnagar, faced immense hardships after losing her husband in 2005. With two young children and no steady income, she worked as a daily labourer and started a small business to survive. Though she had dropped out in 9th grade, her dreams reignited when a local Anganwadi job went to someone from another village, only because no one in hers had completed 10th grade. Encouraged by SHG members, Thirumala enrolled in **TOSS (Telangana Open School Society)** in 2010. She completed her 10th grade and earned a degree, transforming her life through education. Today, she works with Orugallu Maha Samakya in Warangal, has trained in 8 states, and earned over ₹ 26 lakhs as a Community Resource Person. **TOSS** gave her the second chance she needed to succeed.

“Kastapadi pani cheste sadinchaleni edi ledu.”

(With hard work, nothing is impossible.)

TOSS turned her struggle into strength.

Kavitha's Journey of Hope through TOSS

Kavitha, a 40-year-old woman from Lingapur village, Nirmal district, faced immense challenges early in life. Married at 16, she became a widow in 2008 with two young sons to care for. Returning to her mother's home, she worked as a daily labourer to survive. With support from her mother and encouragement from the DPM (District Project Manager) and neighbours, she joined the Sri Sai Self Help Group and later enrolled in **Telangana Open School Society (TOSS)** in 2008.

TOSS became her lifeline. She completed her 10th, Intermediate from **TOSS**, and Degree through Kakatiya University. Despite her brother's disapproval, she secured her children's future by sending them to a hostel and attending CRP (Community Resource Person) training. Her determination led her to work as a Community Resource Person across 12 states. Today, she is an ICDS (Integrated Child Development Services) Interviewer under SERP (Society for Elimination of Rural Poverty), has purchased three plots, and earns ₹ 190,000 annually. Kavitha dreams of becoming a teacher.

“Chaduvu andariki mukyam, Chaduvu brathukunistundi”

(Education is essential, it gives life).

TOSS gave her more than support; it gave her a future.

Vemula Uma – Empowered by TOSS

Vemula Uma, 39, from Chirumari village in Khammam district, was married at just 13 and divorced by 2005. Alone and with a young daughter to raise, Uma faced many struggles. But her life changed when she joined a Self-Help Group (SHG) in 2007 and became an audit resource with SERP (Society for Elimination of Rural Poverty). Despite limited education, as she had only studied up to 6th grade, she never gave up on learning. In 2011, with encouragement from SERP, Uma enrolled in the **Telangana Open School Society (TOSS)**. She completed her 10th class in 2012 and is now pursuing Intermediate. **TOSS** gave her a second chance at education, helping her rebuild confidence and grow professionally. Today, Uma is a senior CRP (Community Resource Person) with SERP, having worked across 11 states. She also helped another woman enroll in **TOSS**, who is now an Anganwadi teacher. Uma's dream is to learn English and work abroad.

“Chanduvunu minchina Dhanavanthulu evvaru leru”

(No one is wealthier than a learned person)

TOSS transformed her life, and she's now inspiring others.

N. Kakathiya: A Story of Strength, Hope, and the Power of TOSS

N. Kakathiya, a 43-year-old single mother from Kothapalli village in Karimnagar, turned her life around through courage and education. After enduring years of hardship with an unemployed, alcoholic husband, she bravely chose to live for her two sons. With support from her parents, she started a fruit shop and later worked as a Community Resource Person (CRP) under SERP (Society for Elimination of Rural Poverty). Her life took a transformative turn in 2019 when she enrolled in the **Telangana Open School Society (TOSS)**. Despite having dropped out in the 7th class, she completed her 10th and Intermediate by 2022, proving that it's never too late to learn. **TOSS** gave her the platform to rebuild her dreams. Today, she supports others, helping street children, guiding girls in KGBV (Kasturba Gandhi Balika Vidyalyaya) schools, and encouraging five others to join open schooling. A passionate learner fluent in five languages, Kakathiya now dreams of becoming a lawyer.

During pregnancy, she returned to her maternal home and raised her daughter alone while earning just ₹ 1,500 as a school helper. Her life changed when she joined the Divya Self-Help Group. There, a District Project Officer from SERP (Society for Elimination of Rural Poverty) encouraged her to pursue education through the **Telangana Open School Society (TOSS)**. With support from him and her teachers, Sujatha completed Intermediate in 2007 and became a Cluster Resource Person, earning ₹ 15,000 per month. Driven by a thirst for knowledge, she went on to earn an MA (Master of Arts) in Sociology, D.Ed. Breaking Barriers, Building Hope: The Story of Rachakonda Sandya

Rachakonda Sandya, 34, from Begampeta village in Peddapally district, faced immense struggles early in life. Orphaned by her father at age 3, she was married at just 13 to her alcoholic brother-in-law. After years of domestic abuse and the loss of her home and belongings, she left her husband in 2005 and returned to her mother's home with her son. Forced into agricultural labour at 15, she even attempted suicide. However, with encouragement from friends, she joined the **Telangana Open School Society (TOSS)** in 2012 through the Government Degree College, Manthani. **TOSS** gave her a second chance to pursue education. With the support of her teacher, she completed her BA (Bachelor of Arts) from Ambedkar University in 2019. Sandya later reunited with her ailing husband, who passed away in 2014. Today, she works as a social auditor for Srinidhi SHG (Self Help Group), earning ₹ 60,000/month. A proud **TOSS alumna**, she inspires others by donating 25% of her income and motivating women to study. Her dream is to build her own home.

"Education alone can change everyone's life and lead them toward a better future."

TOSS: A second chance, a stronger future.
